For Individuals Affected by a Government Entity-Declared Emergency or Major Disaster

The Centers for Medicare & Medicaid Services (CMS) provides a Special Enrollment Period (SEP) for individuals affected by a disaster or other emergency declared by a Federal, state or local government entity who need to enroll in, disenroll from or switch Medicare health or prescription drug plans because they may have missed another valid election period due to the emergency or major disaster. The SEP is available at the start of the incident date and runs for 2 full calendar months following the end date identified in the declaration.
